

END OF LIFE NURSING EDUCATION CONSORTIUM (ELNEC)- VETERAN

Training Program

Live Virtual Program

October 3 and October 10, 2024

8:00 AM- 4:30 PM

Registration begins at 7:45 AM.

This two-day live virtual course is designed for healthcare clinicians and community members caring for Veterans facing serious or life limiting illness. The program will provide the learner with the competence and confidence to provide optimal care to Veterans and families facing end of life. Course content includes eight educational modules including Palliative Nursing Care; Pain Management; Symptom Management; Communication; Culture and Spirituality; Final Hours; Loss, Grief, and Bereavement; Self-Care and Resilience.

Individuals who wish to participate must register by completing a registration form by clicking on the MS Forms link or scanning the QR code no later than September 19, 2024: <https://forms.office.com/r/FkuKVagfUr>

Participants must have access to a computer or working electronic device, camera access, and a microphone.

A Virtual link will be sent to registered participants prior to the course.

Course materials will be sent to all participants via email.

Participants are responsible for printing their own materials.

Please contact Terre Mirsch (MirschT@mlhs.org), Tracey Wheatley (twheatley@HospiceCommunity.org), or Doug Etter (douglas.etter@va.gov) with any questions.

This course is being offered without charge to healthcare providers and community partners who care for Veterans at end-of-life.

Participants must attend all 8 modules over 2 days, complete all course evaluations, and a pre and post self-efficacy survey to receive 15 contact hours and a certificate.

Two of more groups were involved in the planning and development of this activity. Main Line Health System is responsible for providing contact hours and ensuring adherence to ANCC educational design criteria.

Main Line Health System is approved as a provider of continuing professional development by Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This program has been approved by the PA State Board of Social Workers, Marriage & Family Therapists & Professional Counselors for 15 continuing education contact hours.

The planners and speakers have no conflicts of interest or relevant financial relationship(s) to disclose with ineligible companies.

*The End-of-Life Nursing Education Consortium (ELNEC) project, supported by a grant from the Robert Wood Johnson Foundation, is a national education initiative to improve nursing education on end-of-life care. The project is administered by the American Association of Colleges of Nursing and City of Hope Medical Center.
